**Notes:**

1. The Championships Entry Fees income includes \$95 in entry fees for Numbers. The rest is from Juniors, Individuals and Teams.
2. The Bank Charges expense is the estimated amount of fees charged to the IJA by the bank for handling our credit card charges. The estimated expense shown in this category is based on total income and an estimated 85% of payments done by credit card.
3. The Free Food expense includes the cost of cookies given out at Wednesday's show and ice cream given out at Thursday's show. This cost was covered by a directed cash donation recorded under Income.
4. The Gratuity expense under Exhibit Hall is for required gratuities for all food in the Buffalo Convention Center (includes Monday dinner, Wednesday cookies, Thursday ice cream and green room food for the shows in the BCC).
5. The Telephone expense includes \$297 for the fest phone line for doing credit card verifications in Buffalo and an allocated \$1503 for annual festival cell phone use out of the estimated annual charges of \$2000 for the IJA's three cell phones.
6. Of the 12 total hotel room nights for the COS Director and the Championships Director, 4 were covered by free room nights the IJA earned through room sales and 8 were waived by the hotel because they had made mistakes in various reservations, etc. (The hotel also waived a \$300 dinner charge for the FKB dinner for the same reason.) The other 18 free room nights earned from room sales were used to cover the FKB rooms (6 rooms for 3 nights).

Respectfully submitted by Sandy Brown and Martin Frost.
